## Shea Butter - \$26.99

- Grade A Shea. Highest quality available worldwide! All natural
- Used in Hospital Burn Wards to speed healing and reduce scarring
- Use on diaper rash, eczema, dry skin, chapped lips, cracked heels, hair before shampooing, mosquito bites, sunburn, poison ivy, etc.

## CARING FOR YOUR MICROFIBER PRODUCTS

Slightly dirty cloths can be cleaned by just using a dab of Norwex dish soap. Rub the fibers together, rinse out, and hang to dry. Cloths only need to be laundered twice a month. When washing, make sure you DO NOT use fabric softeners or bleach. They should also be washed with non-linty items as the fibers are so small they will attract all lint. (If an accident occurs, simply boil your cloth for 15 minutes).
